

Welcome to Our Learning Community!

We believe the strongest partnership in a child's life is between the child's family and the program they attend. Our daily goal is for our faculty to collaborate with you to ensure an excellent experience for your entire family. We are committed to providing the highest quality of care to your child and your family.

We have an Open-Door Policy and welcome your involvement. We encourage you to get involved in the community, visit or volunteer in your child's classroom, chaperone field trips, and always advocate for your child.

We serve children from birth to second grade. Our daily program promotes your child's intellectual, social, physical, and emotional development. We individualize our program to meet each child's needs.

We continually train our faculty using the most current research in child development and early education.

The beginning of each program year is an important time. Please know that we are available to answer any questions that may arise. It is our hope that you and your child will develop a lifetime of wonderful childhood memories while enrolled in our program.

Seattle Institute for Early Child Development, doing business as Hilltop Children's Center and Educator Institute, is an IRS-registered 501(c)(3) non-profit childcare organization committed to improving the quality of early childhood education. We are governed by a Board of Directors composed of faculty, parents, and volunteers from the greater community. Board meetings are held monthly, and interested parents are welcome to attend.

Tax ID: 91-089446

Land Acknowledgement

As an organization located in the City of Seattle, we respectfully acknowledge that we teach, collaborate, learn, and play on the homelands of the Coast Salish peoples, specifically the Duwamish Tribe. We recognize these peoples as the original stewards of this land since time immemorial and honor all Indigenous people and their histories.
